DIGITAL ARTEFACT PHOTOS

1	Clay Pipes	top row left to right	Effigial bowls 3534/#26131, 3404/#26111, 3534/#26130;
		middle row left to right	brown and white German porcelain 4104/#26208;
		bottom row left to right	bowls with relief decoration or spur marks of Ship & anchor 4104/#26202, the City of Gouda in The Netherlands 3401/#2608, Fluted 3534/#26132.
2	Clay Pipes	top row left to right	small plain bowls with possibly marked cylindrical spur 4104/26201, with conical spur 4104/#26203;
		second top row left to right	small plain bowls with conical spur 3534/#26133, with cut spur showing burning from use 4110/#26230;
		third top row left to right	stem with mark of tobacconist "DIXSON/SYDNEY" (1839-1904) 4110/#26228, bowl with spur mark "C", possibly of Sydney pipemaker William Cluer (1802-1821) 3959/#26177;
		fourth top row left to right	long plain stem 3959/#26176, stem with mark of Scottish pipemaker "MURRAY/GLASGOW" (1830-1861) 3959/#26178;
		fifth top row left to right	mouthpieces with glaze 4102/#26197, or thickened with red wax and stem mark "[L]ONDON/LACH[LANDER]" 3406/#26109;
		bottom row left to right	stems with marks of Scottish pipemakers "THO. WHITE & Co/EDINBURGH" (1823-1882) 3514/#26128, "TW & C[O]/[E]DINR" (1823-1882) 4105/#26224, "T. WHYTE/EDINR." (1832-1864) 3457/#26119, "W. WHITE/GLASGOW" (1806-1955) 4110/#26229.
		3	Artefacts of different functions
		middle row left to right	brass spur 3958/#26175, British type gunflint 3401/#26080, cloak pin from curtain fitting 4104/#26211, decorated furniture handle 3905/#26168;
		bottom row	lead musketball 3684/#26153.
4	Artefacts of different functions	top row	celluloid fake tortoiseshell comb 3803/#26161,
		second top row left to right	EPNS teaspoon marked "J B & S" 3403/#26088;
		third top row left to right	brass spur 3958/#26175, British type gunflint 3401/#26080, cloak pin from curtain fittings 4104/#26211, decorated furniture handle 3905/#26168;
		bottom row	lead musketball 3684/#26153.
5	Artefacts relating to sewing, clothing and adornment	left group from Lot 102W	
		left	half of scissors 3514/#26127
		top to bottom	four-hole brass trouser button 3684/#26150, domed brass button with anchor and rope decoration 3501/#26124, possible brass eyelet engraved "WARRANTED FAST" 3501/#26243, jet bead 3514/26125, thimble 3514/#26126;
		middle group from Lot 103	

		top to bottom	child or doll sized four-hole mother of pearl button 4110/#26236, 2-hole bar brass trouser button 4103/#26200, domed glass button with brass shank 4110/#26237, sewing pins: machine made upset head 4104/#26209 & spiral wound 4104/#26212 sewing pins;
		right group from Lot 102E	
		left, top to bottom	two-hole mother of pearl button 3404/#26099, small two-hole porcelain button 3404/26101, white glass bead 3403/26096, blue glass beads (tiny to large) 3403/#26093, 3403/#26094, 3403/#26095, 3404/#26102, bone and brass stud from male shirt 3401/#26081, brass hook 3403/#26092;
		right, top to bottom	pressed two-piece brass button 3403/#26097, small two-hole mother of pearl button 3403/#26098, brass flat jacket button 3457/#26120, brown two-hole mother of pearl button 3404/#26100.
6	Artefacts showing children's work and play	top row left to right	clay marbles from Lot 102W: hand made 3960/#26182 & 3961/#26184, machine made 3961/#26183 & 3684/#26152;
		middle row left to right	slate board fragment with scored lines 4104/#26210, slate pencil stubs 4053/#26193, 3403/#26087; marbles from Lot 102E: 'Bennington' brown glazed porcelain 3404/#26103, small grey limestone 3405/#26106, machine made clay 3403/#26090, linear painted porcelain 3405/#26107, large grey limestone 3404/#26104;
		bottom row left to right	porcelain doll play items from Lot 102E: painted leg 3803/#26242, tea set lid 3403/#26089, tea set saucer 3406/#26108.
7	Coins	top row left to right	1935 Australian penny 3643/#26250;
		second top row left to right	British farthings (corroded) from leaseholder's storage cellar 3590/#26248 & 1799 George III 3590/26247; Commonwealth of Australia penny (1901-1965) 3803/#26251;
		third top row left to right	British farthings (corroded) from leaseholder's storage cellar 3958/#26252 & 3961/#26253; possible British halfpenny (corroded) 3643/#26249;
		bottom row left to right	British pennies: 1826 George IV 3514/#26246, Cartwheel 1797 George III 3501/#26245, 1898 Victoria 3404/#26244.
8	Architectural elements from the leaseholder's storage cellar on Lot 102W	top row left to right	vent showing square holes 3960/#26319, cellar wall brick 3957/#26313;
		middle row left to right	double lug roof tiles: two from same context 3961/#26320;
		bottom row left to right	single lug roof tiles from same context: near whole with worn away lug end 3959/#26310; lug end 3959/#26311.
9	Architectural elements from the leaseholder's storage cellar on Lot 102W	top row left to right	vent showing perforated holes 3960/#26319, cellar wall brick 3957/#26313;
		middle row left to right	double lug roof tiles: two from same context 3961/#26320;

		bottom row left to right	single lug roof tiles from same context: near whole with worn away lug end 3959/#26310; lug end 3959/#26311.
10	Roof tile from the leaseholder's storage cellar on Lot 102W	detail	fingerprints of tilemaker made when removing worn single lug tile from stock 3959/#26310.
11	Architectural elements from the leaseholder's storage cellar on Lot 102W	top row left to right	vent showing square holes 3960/#26319, cellar wall brick 3957/#26313;
		middle row left to right	double lug roof tiles: two from same context 3961/#26320;
		bottom row left to right	single lug roof tiles from same context: near whole with worn away lug end 3959/#26310; lug end 3959/#26311.
12	Roof tiles from the leaseholder's storage cellar on Lot 102W	lug types detail	comparison of upper ends of double lug 3961/#26320 & single lug tile types 3712/#26299.
13	Food related items from the leaseholder's storage cellar on Lot 102W	left to right	copper canister or pot lids 3959/#26513 & 3961/#26517, two-prong bone-handled fork 3959/#26152.
14	Tool sharpening item from the leaseholder's storage cellar on Lot 102W		one side of large quartzite block whetstone showing grooves from sharpening of knives or tools 3961/#26254.
15	Possible brewery artefact from the brewery cellar fill on Lot 102W		sample of perforated iron sheet 3514/#26388.
16	Artefacts of different functions from the brewery cellar fill on Lot 102W	top row left to right	large iron L-bracket 3514/#26386, copper alloy tea or coffee pot lid 3514/#26391, terracotta tile 3514/#26274;
		front to back	brass gas bracket 3514/#26389, brass gas nozzle 3514/#26390, galvanised iron bracket 3514/#26287.
17	Tools	left	Dutch type iron hoe head 4014/#26537;
		right, top to bottom	quartzite hand-held whetstone (hone) 3905/#26171, galvanised steel wedge 3901/#26451, iron file 3901/#26445.
18	Pump possibly used in the brewery and found on Lot 102E		Fragment of iron pump with brass plates "SYPHON OVERFLOW/W. COWAN'S PATENT - no []" AND "WARNER & COWAN'S/PATENT/SELF REGULATING/DRUM/LTD No [1829-6?]" 3401/#26336.
19	Tessellated pavement from Lot 102E	left to right	two fragments from a multicoloured encaustic ceramic mosaic floor 3457/#26262 & 3401/#26255.

20	Range of horseshoes	top row left to right	small 3501/#26382, asymmetric 3401/#26571;
		bottom row left to right	asymmetric with nails 3901/#26452, large 3457/#26362.
21	Chinese ceramic	top row left to right	blue bowl 3959/#21500, jar with scene 4135/#21554, mended dish 3992/#21542;
		bottom row left to right	kitchen Ch'ing base 3686/#21432, oval Canton platter 3992/#21544, shallow bowl with writing 3961/#21538.
22	Chinese ceramic	left to right	comparison of kitchen Ch'ing base 3686/#21432 with reference collection bowl.
23	Fine handpainted Chinese ceramic	left side, top to bottom	rim 3960/#21526, bowl 3960/#21528, bowl with red & grey motifs 3688/#21436;
		right side, top to bottom	bowl 3960/#21525, body with blue rim 3961/#21530, body with rose motif 3958/#21466, armorial motif 3960/#21527.
24	Fine handpainted Chinese ceramic	top row left to right	saucer with fishnet motif 3958/#21474, cup with raised blue line gilded 3958/#21467;
		bottom row left to right	rice bowl base with scene 3958/#21470, dish rim 3958/#21468.
25	Fine hand painted Chinese ceramic		teapot body with handle 3958/#21449.
